Z-BOXES used by Zásilkovna can be found in two places, on Václava Sedláčka Street by the Gamma (O2) building and on U pomníku Street by the ČEZ building.

An ALZA BOX is located at the Za Brumlovkou parking lot, by the entrance to the Beta building garage.

Regardless of the deliverer (Česká pošta, PPL and others), packages can be stored in the **BLOCKS** in the Filadelfie building at the entrance to the offices from Želetavská Street. All you have to do to collect your parcel is register your telephone number. **You can find instructions [HERE](#).**

Saint Martin's Day wines at Sommellerie

Today, we would certainly not like to guess whether St. Martin will come on a white horse and bring a cold blanket to the Czech Republic. However, we know that on November 11 at 11:00 am Sommellerie will open the first of this year's young wines for you.

This year, Saint Martin's Day wines are more mature, the taste has a pleasant hint of fruity tones and a little acidity, with frequent honey undertones compared to past years. The range will include wines from the VAJBAR, TETUR, and MADĚŘIČ family wineries.

A tasting portion of goose will be served with every glass of Saint Martin's Day wine, the opening time will be extended on this day until 10:00 pm.

The 6 + 1 bottle FREE event will run until November 20, 2021.

The Sommellerie team looks forward to seeing you.
